

Anti-ragging Committee: Actions Taken by the Lady Irwin College

July -2016 onwards

- Publicity material regarding anti ragging were put up in the college at various strategic points, on notice boards in the college.
- Material and posters send by the university were also put up at the various departments, hostel and canteen.
- The anti-ragging committee at various times in the beginning of the session personally oriented the students body regarding the above.
- The hostel warden personally supervised the students and their welfare.
- The students union assisted in the above activities.
- In the orientation programme the numbers of the committee members was displayed. The students were also informed about strictness in following ant ragging norms.
- The parents of the students were also informed.
- Posters in spaces and dialogues with students were held regarding no ragging in campus and the college and university policy regarding ragging.
- There were no complaints and everything went on smoothly.

All these activities are being continued.
