About the Prospectus

This prospectus is for young women interested in applying for the Graduate, Postgraduate, Postgraduate Diploma and Ph. D. programmes of study at Lady Irwin College. The Prospectus provides information about the College and the programmes that are offered, life at Lady Irwin College, student and academic support services, fee and financial information. It also informs you about the procedure for admissions. The other sections contain information about the departments, courses, faculty, as well as more detailed descriptions of the Undergraduate, Masters and Postgraduate Diploma programmes. We make every effort to ensure that programmes and courses are offered as described here and that any subsequent changes would add to, rather than detract from, your opportunities. However, certain circumstances may occasionally make this impossible, and we reserve the right to alter or withdraw particular programmes or courses. The information in this Prospectus is also subject to revision under the University of Delhi guidelines for students from time to time with respect to admission/withdrawal, internal assessment and reservation policy.

General Information

It is mandatory for each student to adhere to rules and norms as notified in circulars from the University of Delhi or the College. Every student is required to sign a declaration at the time of her admission that she will comply with the disciplinary jurisdiction of the College/University Authorities during her studies. The declaration is given in the admission form.

Ragging is prohibited and anyone indulging in the same will be considered as having committed a breach of discipline. Action will be taken against those found guilty as per the Supreme Court Directive. (Refer to Ordinance XV- C; Prohibition and Punishment for Ragging). Students of this College are advised to refer to the College notice board and website on which relevant information is uploaded periodically. There is a monitoring committee which includes student representatives. The Internal Complaint Committee (ICC) has a statutory status and is empowered to carry out the mandate of the policy on sexual harassment. Any complaint can be given to any member of the

committee, which will take cognizance of complaints, conduct enquiries, provide assistance and redressal to the victim, recommend penalties and take action as prescribed by the University of Delhi rules.

Health

There is a Medical Help Desk in the college comprising a committee of college faculty and students as members. The college has a Medical Room with a medical attendant. It caters to the first-aid needs of the students. It is open from 8:40 am to 4:30 pm on all working days. In case of an emergency, under supervision, the students are sent out for professional medical treatment provided at a Government hospital and guardians/parents are informed.

Lady Irwin College is a No Smoking Zone

Delhi University is partnering with Delhi Police and World Lung Foundation–South Asia in promoting a tobacco free environment. As a step in that direction, smoking is banned in Lady Irwin College.

Scholarships and Prizes

Every year scholarships are awarded to meritorious B.Sc., B.Ed., DDPHN and M.Sc. students. Scholarships are awarded on the basis of merit-cum-means. There are also several prizes for students excelling in various academic and extra-curricular activities. The list of prizes and scholarships are given in the following sections. The list is released on Founder's Day of the College.

From the Director's Desk

Dear students, welcome to Lady Irwin College. The College has a glorious history and support of eminent national and international leaders in the past. It strives to give the best education to young women and build their capacities to meet challenges of their times. College endeavours to prepare young women with a scientific temper. The teaching pedagogies are of international acclaim. Several educationists from US, UK, Australia and other countries have tried to learn various aspects of our programme. The University of Delhi has recognized our innovative approaches and methodologies of connecting to grass-root realities. The College was awarded the first prize for "Good Teaching Practices" during Antardhvani, the University cultural festival in 2014. The College has received several awards in the recent past. In 2018, college was recognized for its contribution in Poshan Abhiyan. It received a NAAC accreditation at A+. NIRF ranked the college 21 nationally in 2019. College also received Asia's most trusted brand in teachers' education in 2016 and the Nina Sibal Award 2014.

The College also bagged five Innovation prizes in 2015. The education at college builds scientific and social science acumen as well as appreciation for art and culture in appropriate proportions to churn out young women with tremendous potential, talent and capability. The alumni are placed nationally and internationally at key positions, UN organizations, industry, business, hospitals, schools and academics.

I hope you would like to embark on your future journey from this College platform. From here, you should be able to look ahead with confidence, skill, positivity, do-able strategies, with growth and development and clarity of knowledge. For this, you must invest all your energy and time with your mentors in College. The teachers are experienced and visionary. Have a meaningful, value-based and holistic education. Be an Irwinite! An Irwinite has the power of bringing smiles on faces of people and impacting the nation through her education towards serving the community; true to the motto, 'Vidya hi Sewa'. Discover yourself, welcome to Lady Irwin College!

Anupa Siddhu

The College Song

*O! The world is full of colleges;
But there's one that's our own,
It's a college that teaches courage;
Even though we stand alone.
It's a college that tries the motto;
That all women should equal be
Of all colleges upon the earth;
This is the college for me.*

*College of mine, mine, mine (2);
From northern snows
To southern shores
From eastern hills
To western sands
With the old girls standing by you
There's none that can defy you
College of mine (3).*

*The teachers here are so many;
And so are students too.
But still we all are one;
Working towards our goal
It's you Lady Irwin
To whom we sing our gratitude
Long may you live to give and
teach
All girls who come to learn.*

*College of mine, mine, mine (2).
From northern snows
To southern shores
From eastern hills
To western sands
With the old girls standing by you
There's none that can defy you
College of mine (3).*

Why Lady Irwin College?

- Sprawling campus spread over 16 acres
- Ideally situated in the cultural hub of Delhi
- Well connected by Metro
- Highly qualified teaching faculty, with national and international recognition for their teaching, research and publications
- Well-equipped laboratories and classrooms and a library with about 53,000 books and periodicals
- Care and education of young children as well as children with disability
- UGC recognized Centre of Advanced Studies in 2007
- Alumnae occupy top executive positions in national and international organisations

Lady Irwin College spreads over 16.5 acres with red brick buildings amidst sweeping lawns and resplendent trees in the heart of New Delhi. Courts for tennis, badminton, basketball, volleyball and areas for athletics are part of the College campus. In the green surroundings stands the students' hostel which houses about 200 students. The Director, Hostel warden and several teachers also live on the campus.

The College is situated in the cultural centre of Delhi. Art galleries, museums, exhibition grounds, theatre, music and dance facilities are accessible within a radius of a kilometre. The local Mandi House Metro Station is an important hub, and the college is connected to all other parts of the city by the Delhi Metro. The College has highly qualified teaching faculty, many of whom have received national and international recognition for their teaching, research and publications. The teachers also serve as advisors and resource persons for important governmental and voluntary agencies, as well as for universities all over the country and abroad. Teachers are also invited to lead research projects in their areas of specialization for institutions like UGC, ICSSR, DST, ECI, government departments, national and international Universities and agencies.

The College has well-equipped laboratories and classrooms and a library with about 45,000 books and periodicals. On the campus, the College has programmes for the care and education of young children as well as children with disability. These programmes also function as a laboratory pre-school and childcare centre, and are an adjunct of the Department of Human Development and Childhood Studies.

The College has a long tradition of service to the community. Wherever possible, the focus is on the needs of the less privileged and on developmental programmes to assist them. Community work is also carried out under the National Service Scheme, with special emphasis on adult literacy.

The College has been recognized for excellence in work related to Communication and Extension. Lady Irwin College was one of the UGC recognized Centres of Advanced Studies (2012). Doctoral studies have been conducted in such diverse areas such as ICTs and new media development, programme evaluation and communication research, functional literacy, entrepreneurship development, management of resources, landscape designing, nutritional assessment, computer aided counselling, energy expenditure,

new product development for disease management, sports nutrition, food processing, care and education of children, development milestones, clothing for special needs, anthropometric studies, developments in textile processing, quality assessment in textile and apparel production and intervention studies for craft revival. The College has earned several national and international awards: Work on women's empowerment, projects on disability and community development (The International Education and Leadership Summit Award, 2015) and for Teaching Practices and Innovations (Antardhwani 2014 and 2015).

Perhaps the most accurate marker of the success of an academic institution is its alumnae. Graduates of Lady Irwin College occupy top executive positions in national organisations such as the Planning Commission and in international organisations like UNDP, as Deans and Vice Chancellors of Universities, eminent teachers and Principals of schools. Numerous alumni have been successful in the fields of art, fashion, literature, family studies and child development, and as entrepreneurs in India and abroad.

The buildings of the college campus have been classified and protected as Heritage sites.

Courses of Study

Undergraduate Programmes

1. Undergraduate: 3 Year Degree Programme, CBCS System

4. **M.Sc. – Four semester degree course in the following specialisations:**
 - **Food and Nutrition**
 - **Human Development and Childhood Studies**
 - **Fabric and Apparel Science**
 - **Development Communication and Extension**
 - **Resource Management and Design Application**
5. **Ph.D. – All five specialisations of Home Science**

Eligibility Requirements - Postgraduate Studies

Bachelor of Education

Please Refer to University of Delhi Website for dates and eligibility.

BRIEF DETAILS OF THE B.Ed. TWO YEAR PROGRAMME FOR 2020-22 SESSION

1. B. Ed.

Programme Structure: The B.Ed Programme of the University of Delhi consists of Theory course and Practicum as detailed below:

FIRST YEAR

Course	Course title
I	Education in Contemporary India
II	Human Development and Learning
III	Conceptual Foundations of Education
IV	Pedagogy 1 (any one of Five subject categories)
V	Pedagogy-2 (Teaching of any one subject, Home Science in this case)
VI	Gender, School and Society
VII	Knowledge, Disciplines and School Subjects
Enhancement of Professional Capacity (EPC)	
EPC 1	Art, Craft and Aesthetics, with special reference to any one of the four arts
EPC 2	Critical Understanding of ICTs in Education
Tutorial	
Field Observation (Practicum)	

SECOND YEAR

Course	Course title
VIII	The Inclusive School
IX	Assessment for Learning
X	Elective Course
Enhancement of Professional Capacity (EPC)	
EPC 3	Understanding Communication &
EPC 4	Yoga
School Experience Programme (SEP) - Internship	

2. B. Ed. Special Education (Mental Retardation)

BRIEF DETAILS OF THE B.Ed. Special Education (Mental Retardation) TWO YEAR PROGRAMME FOR 2020-22 SESSION

Programme Structure: The B.Ed. Special Education (Mental Retardation)

Programme of the University of Delhi consists of Theory course and Practicum as detailed below:

FIRST YEAR

Course	Course title
A1	Human Growth and development
A2	Contemporary India and Education
A3	Learning, Teaching and Assessment
A4	Stream Based Pedagogy (any one from Part –I to Part- IV
A5	Pedagogy of School Subjects any one from Part-I to Part V
B 6	Inclusive Education
B7	Introduction to Sensory Disabilities (VI, HI, Deaf-blind)
B8	Neuro Developmental Disabilities (LD, MR/ID, ASD)
B9	Introduction to Locomotor & Multiple Disabilities (CP, MD)
C 12	Assessment and Identification of Need
School Experience Programme (SEP)	
E 1	Practical: Cross Disability & Inclusion
E 2	Practical : Disability specialization

SECOND YEAR

Course	Course title
B 10	Skill Based Optional Course (Cross disability and Inclusion) any one
B 11	Skill Based Optional Course (Disability specialization) any one
C 13	Curriculum Designing, Adaptation and Evaluation
C 14	Intervention and Teaching Strategies
C 15	Technology and Disability
C 16	Psycho- Social and Family Issues
D 17	Reading and Reflecting on text
D 18	Performing and Visual Arts
D 19	Basic Research and Basic Statistics
School Experience Programme (SEP)	
F 1	Main Disability in Special School (Related to area C)
F 2	Other Disability Special School
F 3	Inclusive School

3. Postgraduate Diploma in Dietetics and Public Health Nutrition

Eligibility Requirement

Candidates seeking admission to one year PG Diploma in Dietetics and Public Health Nutrition must have passed B.Sc. Home Science (Pass/Hons.) or B.Sc. Food Technology (Hons.), B.Sc. Microbiology, B.Sc. Biochemistry, B.Sc., Nursing, MBBS, B.Sc. Life Sciences examination of the University of Delhi or an examination recognized as equivalent thereto and fulfil the eligibility listed below.

B.Sc. Home Science (Pass/Hons.) / B.Sc. (Hons.) Food Technology/ B.Sc. Microbiology/ B.Sc. Biochemistry/ B.Sc. Nursing / MBBS/B.Sc. Life Sciences.

55% or above marks in the overall aggregate and 50% or above marks each in any three of the following subjects:

1. Food Science
2. Normal Nutrition
3. Community Nutrition
4. Clinical Nutrition
5. Biochemistry
6. Physiology
7. Microbiology

Selection of the candidates for admission to the Course will be made in order of merit on the basis of aggregate marks obtained in B.Sc. Home Science (Pass/Hons.) or B.Sc. Food Technology (Hons.), B.Sc. Microbiology, B.Sc. Biochemistry, B.Sc., Nursing, MBBS, B.Sc. Life Sciences.

Category I: 70% and above marks in aggregate or equivalent grade point of B.Sc./ MBBS from University of Delhi.

Category II: 70% and above marks in aggregate or equivalent grade point of B.Sc./MBBS from other Universities recognized by Delhi University as equivalent.

Category III: 60-69.9% marks in aggregate or equivalent grade point of B.Sc./MBBS from University of Delhi

Category IV: 60-69.9% marks in aggregate or equivalent grade point of B.Sc./MBBS from other Universities recognized by Delhi University as equivalent.

Category V: 55-59.9% marks in aggregate or equivalent grade point of B.Sc./MBBS from University of Delhi.

Category VI: 55-59.9% marks in aggregate or equivalent grade point of B.Sc./MBBS from other Universities recognized by Delhi University as equivalent.

4. M. Sc. Programme

Candidates seeking admission to the M.Sc. courses in Food and Nutrition, Human Development & Childhood Studies, Fabric and Apparel Science, Development Communication & Extension, and Resource Management & Design Application should fulfil the eligibility condition as per University of Delhi website. Date of Entrance Examination is as per University of Delhi (DU) website.

For PG Admission Eligibility 2020 (Refer to DU Website).

Students registered at DU portal only will be considered for PG admissions.

Foreign students will come through DU-FSR.

PART I Candidates seeking admission through entrance examination

8 A	M.Sc. course in Food & Nutrition: EXAMINATION	Intake Capacity: 14
	B.Sc. (Hons.) in Home Science / B.Sc. (Pass) in Home Science / B.Sc (Hons.) in Food Technology: after (10+2)/ PGDDPHN (1 yr), from Delhi University or any other University whose Examination is recognized by the University of Delhi as equivalent and fulfill other conditions of eligibility. Should have passed Nutritional Biochemistry and any two subjects in the following areas: Food & Nutrition / Nutrition through the life cycle / Public Nutrition / Food Science and Processing / Diet therapy / Microbiology	<i>ELIGIBILITY CONDITIONS</i> 55% or above marks in aggregate in Home Science or Food Technology or equivalent grade as per University of Delhi guidelines
8 B	M.Sc. course in Human Development and Childhood Studies: EXAMINATION	Intake Capacity: 14
	B.Sc. (Hons.) in Home Science / B.Sc. (Pass) in Home Science: after (10+2), from Delhi University or any other University whose Examination is recognized by the University of Delhi as equivalent and fulfill other conditions of eligibility. Should have passed any three subjects in the following areas: Introduction to Human Development / Socio-cultural Dimensions of family in India / Foundations of Human Development: Theories and Principles / Gender Empowerment and Justice / Human Development: Lifespan / Child Rights & Social Action	<i>ELIGIBILITY CONDITIONS</i> 55% or above marks in aggregate in B.Sc. Home Science: B.Sc. Home Science (Hons.) B.Sc. Home Science (Pass) Or equivalent grade as per University of Delhi guidelines

8 C	M.Sc. course in Resource Management and Design Application: EXAMINATION	Intake Capacity: 14
	B.Sc. (Hons.) in Home Science / B.Sc. (Pass) in Home Science: after (10+2) from Delhi University or any other University whose Examination is recognized by the University of Delhi as equivalent and fulfill other conditions of eligibility. Should have passed any three subjects in the following areas: Resource Management/ Family Finance & Consumer Studies/ Housing and Space Design/ Ergonomic Design & Development /Interior Design and Decoration/ Entrepreneurship and Enterprise Management/ Resources and Sustainable Development/ Human Resource Management	<i>ELIGIBILITY CONDITIONS</i> 55% or above marks in aggregate in Home Science or equivalent grade as per University of Delhi guidelines
8 D	M.Sc. course in Development Communication and Extension: EXAMINATION	Intake Capacity: 14
	B.Sc. (Hons.) in Home Science/ B.Sc. (Pass) in Home Science: after (10+2) from Delhi University or any other University whose Examination is recognized by the University of Delhi as equivalent and fulfill other conditions of eligibility. Should have passed any three subjects in the following areas: Communication and Extension/ Gender and Development/ Media Systems/ Mass Communication/ Sustainable Development/ Training and Development/Extension Programme Design and Management/ Development Communication and Journalism/ Training and Development	<i>ELIGIBILITY CONDITIONS</i> 55% or above marks in aggregate in Home Science or equivalent grade as per University of Delhi guidelines
8 E	M.Sc. course in Fabric and Apparel Science: EXAMINATION	Intake Capacity: 14
	B.Sc. (Hons.) in Home Science/ B.Sc. (Pass) in Home Science: after (10+2) from Delhi University or any other University whose Examination is recognized by the University of Delhi as equivalent and fulfill other conditions of eligibility. Should have passed any three subjects in the following areas: Fundamentals of Fabric and Apparel Science/ Fabric Science/ Indian Textile Heritage/ Apparel Construction/ Applied Textile Design/ Dyeing and Printing/ Design Concepts/ Fashion Design Development/ Fashion Studies	<i>ELIGIBILITY CONDITIONS</i> 55% or above marks in aggregate in Home Science or equivalent grade as per University of Delhi guidelines

PART II (FORM B) Candidates seeking admission on merit on the basis of marks obtained in the B.Sc. (Hons) Home Science, University of Delhi (DU) in the year in which admission is sought

7 A	M.Sc. course in Food & Nutrition:	Intake Capacity: 14
	B.Sc. (Hons.) in Home Science: Food & Nutrition (3 years course) after (10+2) from Delhi University only.	<i>ELIGIBILITY CONDITIONS</i> 60% or above marks in aggregate in Home Science (Hons.) with specialization in Food and Nutrition or equivalent grade as per DU guidelines
7 B	M.Sc. course in Human Development and Childhood Studies:	Intake Capacity: 14
	B.Sc. (Hons.) in Home Science: Human Development (3 years course) after (10+2) from Delhi University only.	<i>ELIGIBILITY CONDITIONS</i> 60% or above marks in aggregate in Home Science (Hons.) with specialization in Human Development & Childhood Studies or equivalent grade as per DU guidelines
7 C	M.Sc. course in Resource Management and Design Application:	Intake Capacity: 14
	B.Sc. (Hons.) in Home Science: Resource Management (3 years course) after (10+2) from Delhi University only.	<i>ELIGIBILITY CONDITIONS</i> 60% or above marks in aggregate in Home Science (Hons.) with specialization in Resource Management and Design Application or equivalent grade as per DU guidelines
7 D	M.Sc. course in Development Communication and Extension:	Intake Capacity: 14
	B.Sc. (Hons.) in Home Science: Communication and Extension (3 years course) after (10+2) from Delhi University only.	<i>ELIGIBILITY CONDITIONS</i> 60% or above marks in aggregate in Home Science (Hons.) with specialization in Development Communication and Extension or equivalent grade as per DU guidelines
8 E	M.Sc. course in Fabric and Apparel Science:	Intake Capacity: 14
	B.Sc. (Hons.) in Home Science: Fabric and Apparel Science (3 years course) after (10+2) from Delhi University only.	<i>ELIGIBILITY CONDITIONS</i> 60% or above marks in aggregate in Home Science (Hons.) with specialization in Fabric & Apparel Science or equivalent grade as per DU guidelines

Eligibility for reserved categories will be as per DU guidelines. For details concerning each Department visit www.ladyirwin.edu.in For details concerning DU guidelines visit www.du.ac.in

Internal Assessment

Internal Assessment is an integral part of the Semester System Evaluation Scheme of both Undergraduate and Postgraduate courses. Internal Assessment carries 25% weightage and End Semester Examination has 75% weightage in every theory paper.

The distribution of Internal Assessment marks for Undergraduates is as follows:

Weightage

Written Assignments Tutorials/ Project Reports/Seminars	10%
Class test (s)/Quiz(es)	10%
Attendance (lectures, Interactive Periods, Tutorials)	5%

* As per DU norms

Marks allocation for attendance out of 5 Marks

85% and above	5
80% and above (less than 85%)	4
75% and above (less than 80%)	3
70% and above (less than 75%)	2
67% and above (less than 70%)	1
Below 67%	0

Internal Assessment weightage for Practicals

B.Sc. (Pass) Home Science CBCS 50 marks in Continuous Evaluation

B.Sc. (Honours) Home Science CBCS 50 marks in Continuous Evaluation

M.Sc. 40 % (Class Record)

PGDDPHN 40 % (Class Record)

* As per DU norms

Attendance

According to the rules of University of Delhi, students must have the required attendance both in Theory and Practical separately of each subject in order to appear in the End Semester exams.

Medical certificate with reference to attendance

In the instance of absence from classes due to medical reasons, the medical certificate of illness for the calculation of attendance should be submitted within a week of joining after illness, and should be accompanied with the doctor's fitness certificate. In no case will a medical certificate be taken into consideration for calculation of attendance after the attendance for that semester has been finalized.

The original medical certificate should be given by the student to the concerned subject teachers for signatures and noting in their attendance register. It should then be submitted in the office for record.

**Attendance requirement: PASS PERCENTAGE AND PROMOTION CRITERIA -
Please refer to DU Website**

Course Structure

Undergraduate- B.Sc. (Hons.) Home Science

CORE COURSE (14)		Ability Enhancement Compulsory Course (AECC) (2)	Skill Enhancement Course (SEC) (2)	Elective: Discipline Specific DSE (4)	Elective: Generic (GE) (4)

Doctoral Programme

Admissions are offered for the Doctor of Philosophy (Ph.D.) programme in the Department of Home Science (Faculty of Science) Delhi University in all the fields of specialisations listed below:

- Food and Nutrition
- Human Development and Childhood Studies

- Fabric and Apparel Science
- Development Communication and Extension
- Resource Management and Design Application

Ph.D. Programme: The Departments offer full time Ph.D. Programme and the scholars who are registered for

the same are therefore not allowed to undertake any commitment/assignment, paid/unpaid outside the college.

Rules for admission to Ph.D. programme are as per the Faculty of Science, University of Delhi.

The admission to Ph.D. programme

is through an Entrance Exam and interview by the Admission Committee, as detailed on DU website. An advertisement is sent out every year which gives relevant dates on DU and Lady Irwin College websites. Those with JRF/National Fellowships/ NET do not take the Entrance Test but apply on due date and are called for interview if eligible.

The Postgraduate Departments

- Education
- Food & Nutrition
- Development Communication & Extension
- Resource Management & Design Application
- Human Development & Childhood Studies
- Fabric & Apparel Science

Department of Education

The Department of Education strives to prepare students who would be leaders in their classrooms, effective practitioners in their particular fields and life - long learners.

The one year B.Ed. (Home Science) programme commenced in the year 1952 and the B.Ed. (Special Education) in 2007, as a part of the Faculty of Education of the University of Delhi. The B.Ed. Special Education programme is recognised by the Rehabilitation Council of India (RCI) and B.Ed. (H.Sc.) by NCTE. Today it has been ranked 6th by India Today, and awarded Asia's Most Trusted Brand Award, 2017.

The focus of the Department comprises various aspects of teacher preparation, viz. skill training in teaching, mastery of classroom management techniques, competence to handle children with special needs, ability to establish warm interpersonal relationships within the class, development of communication skills and competencies leading to reflective thinking, expertise in various Home Science and Science related work experience, sensitisation to community needs, skill in

construction and appraisal of various evaluation devices and development of instructional material. The close interaction between students and teachers and the participatory nature of the programme enable the students to gain confidence and self-reliance. The programme strives to cultivate in future teacher's leadership qualities and positive virtues like co-operation, sincerity and dedication. The students are conversant with newer technologies and competent to use multimedia instructional strategies including e-boards/ interactive boards and the like. The alumnae cherish memories of the fruitful time spent at the department. The B.Ed. Special Education (MR) focuses upon preparation of teachers for the mainstream inclusive schools as well as special schools.

The B.Ed. programme is now for two years duration, since 2015. The programme helps to strengthen the Home Science graduates and post graduates professionally. A popular option since six decades, the programme maintains the spirit of preparing competent teachers.

The students/interns of the course find an easy placement in

various schools and other allied institutions.

They may be:

- Recruited as PGT Home Science, TGT Science and Home Science, activity teachers, special educators and primary teachers in various private and state-run schools.
- Teach vocational subjects such as meal planning and fashion studies etc.
- Work as counsellors in schools.
- Placed in institutions like Women's polytechnics, Nursery Teacher Training Institutions, DIETs, SCERT, NCERT, NUEPA and various NGO training and research organisations.
- Recruited as resource room teachers in schools and as special educators in institutions and schools.

Renu Malaviya

Career Options

The students/interns of the course find and easy placement in various schools and other allied institutions. They may be:

- recruited as PGT Home Science, TGT Science and Home Science, activity teachers, special educators and primary teachers in various private and state-run schools.
- teach vocational subjects such as meal planning and fashion studies.
- work as counsellors in schools.
- placed in institutions like Women's polytechnics, Nursery Teacher Training Institutions, DIETs, SCERT, NCERT, NUEPA and various NGO training and research organizations.
- recruited as resource room teachers in

Distinguished Alumnae

- Alka Sibal, Vice Principal, Slawan School, Delhi.
- Anupama Vohra, Reader, Faculty of Management Studies, University of Delhi, Delhi.
- Goldy Malhotra, Former Principal, Modern School, Vasant Vihar, Delhi.
- Jyoti Gulati, Principal, S.K.V. Jangpura, Delhi.
- Madhu Parhr, Professor, IGNOU.
- Meera Bhagat, Principal, S.K.V. Pandara Road, Delhi.
- Neelam Gulati, Education Officer, Directorate of Education, NCT, Delhi.
- Poonam Khattar, Associate Fellow, National Institute of Health and Family Welfare, Delhi.
- Pratibha Sharma, Jt. Director, SCERT, Defence Colony, New Delhi.
- Rajni Mahajan, Head, Teacher Orientation Cell and International Links Coordinator, Rukmani Devi Public school, Delhi.
- Rita Marwah, Deputy Director (Ed.), Directorate of Education, NCT, Delhi
- Shanti Dabas, Home Science Expert, Directorate of Education, Delhi.
- Suman Sachdeva, Technical Director, Education, CARE India, Gurgaon.

Food & Nutrition

The Department of Food and Nutrition endeavours to achieve excellence in teaching and research for outreach to community, industry and institutions to ensure promotive health for all.

The Department has been recognised as the National Centre of Excellence and Advanced Research on Diets (April 2018 to July 2020) as technical support unit for Maternal Health Division, Ministry of Health and Family Welfare, Gov supported by UNICEF and Development partners.

The Food and Nutrition Department is the first postgraduate department of Lady Irwin College. Presently the Department of Food and Nutrition offers one-year Post Graduate Diploma in Dietetics and Public Health Nutrition (PGDDPHN), two-year M.Sc. degree in Food & Nutrition and doctoral programme in Food and Nutrition under the Department of Home Science, University of Delhi. Furthermore, Master's degree programme is offered in three areas of specialization namely, Clinical Nutrition, Public Health Nutrition and Food Science & Processing.

B.Tech Food Technology started under FYUP program in the year 2013. A batch of 133 students successfully completed the course under the umbrella of Department of Food and Nutrition. B.Sc. (Hons) Food Technology started in the year of 2017 with an intake of 32 students.

Department of Food and Nutrition offers one-year PG diploma in Dietetics and Public Health Nutrition with an intake of 37 students. The students are engaged in intensive course work with special focus on Therapeutic Nutrition and community outreach. This course also inclines students towards research and seminar presentations. A three months internship in a tertiary hospital is mandatory for students, and their degree is granted only on completion of the internship program. Students actively participate in conferences and workshops to constantly keep themselves updated with current concepts in evidence based nutrition"

The different courses have been diversified and updated to meet the emerging needs and challenges in the areas of Food and Nutrition. This has been achieved by giving emphasis to research, community work focusing on capacity building of various sections of population, seminars, internships, educational tours, conferences and workshops along with the course work.

FoSTaC: Lady Irwin College was empanelled as a Training Partner in the FoSTaC (Food Safety Training and Certification) initiative of the Food Safety and Standards Authority of India (FSSAI) since June 2017.

The Department committed to conducting certification courses for students in 'Food Safety Supervisor - Basic Catering and Advanced Catering'.

The objective is to improve the employability of students as FSSAI has recommended a food safety supervisor for every food service establishment with 25 employees. Eight courses have been conducted and 200 people have been trained to date.

Career Options

The rich experience and confidence gained by the post graduate students has helped in their placement in important positions with the Government organizations, international agencies, NGOs, food industries, catering establishments, hospitals and teaching institutions in India and abroad. They are working as researchers, teachers, public health nutritionists, dieticians, research and community based programme officers, nutrition consultants and experts in food product development and quality control. Several of the alumnae have established themselves as entrepreneurs. With committed faculty and students, the Department hopes to achieve greater heights in future. In 2008, the Department celebrated its Golden Jubilee. In 2013, the department celebrated 40 years of the PGDDPHN course by organizing a seminar on 'Current Concerns in Dietetics and Public Health Nutrition'. The Department has completed six successful decades of teaching, research and producing professionals par excellence.

Distinguished Alumnae

- Alka Mohan Chutani, Chief Dietician, AIIMS.
- Anita Jatana, Chief Dietician, Batra Hospital and Medical Research Centre, Delhi.
- Ashi Kohli Kathuria, Office of Social Development, USAID, American Embassy, Delhi.
- Beena Mathur, Former Head, Food and Nutrition Department, University of Rajasthan, Jaipur.
- Charu Dua, Head, Dietetics Department, Max Devki Heart and Vascular Institute, Delhi.
- Charanjit Bhatt, Retired Senior Scientist, Indian Agricultural Research Institute, Delhi.
- Deeksha Kapoor, Director, Centre of Women Studies, IGNOU, New Delhi.
- Gayatri Singh, UNICEF, Delhi.
- Ishi Khosla, Nutritionist, Whole Foods, Capital Trust House, Delhi.
- Kiran Malhotra, Nutrition Consultant, Saratoga, CA, USA.
- Kumud Khanna, Former Director, Institute of Home Economics, Delhi.
- Meera Shekhar, World Bank, NW Washington DC, USA.
- Namanjit Ahluwalia, Professor, Toulouse University, France.
- Nilanjana Singh, Senior Dietician, Pushpawati Singhanian Research Institute, Delhi.
- Nita Mehta, Cooking Consultant, Culinary Academy Private Limited, Delhi.

- Poornima Menon, Research Fellow, IFPRI, Delhi
- Poonam Om Kumar, Executive Corporate Communication, Nestle India Limited, Gurugram.
- Rekha Sharma, Former Chief Dietician, AIIMS, Delhi.
- Ritika Samaddar, Chief Dietician, Max Super Speciality Hospital, Delhi.

- Ruchika Mehra, Senior Manager RandD, Glaxo Smithkline Beecham, Gurugram.
- Satinder Bajaj, Former Director, Lady Irwin College, Delhi, presently Vice-Chancellor, Rai University.
- Sheila Vir, Nutrition Consultant, formerly with UNICEF, Delhi.

Calendar of Events

Date	Activities
May 2020	Thesis viva voice of M.Sc. Final students

- Syllabus transaction, internal assessment and marking to be in accordance with CBCS norms laid by the University of Delhi.

Development Communication & Extension

The Department of Development Communication and Extension develops understandings and skills in culturally appropriate behaviour change communication and extension strategies for promoting gender equity, social inclusion and sustainable development.

The Department was established in the year 1964 as Rural Community Extension under the aegis of the Ministry of Food and Agriculture, Government of India. The nomenclature Community Resource Management and Extension came into being in 1983. In 2007, the Department was renamed as Development Communication and Extension after comprehensive curriculum revision. The Department strives to train a cadre of professionals to work as development practitioners and researchers. The Department curriculum provides strong theoretical foundations and experiential learning to meet the existing market demands for trained professionals in participatory development processes and communication for sustainable change.

The different courses create a holistic understanding between developer issues, programme management, development of media and strategies for sustainable change. The students are trained in Behaviour Change

Communication methodologies. They acquire professional skills in developing radio programmes and documentary films along with designing a wide range of print media. To create effective development practitioners, the key components of the curriculum are- advocacy for policy and behaviour change communication; design, monitoring and evaluation of development programmes and initiatives; and training and capacity building of different stakeholders involved in the development process.

Roshni – Centre for Women Collectives Led Social Action is housed in the Department of Development Communication and Extension, Lady Irwin College. It is a recognized Centre of Excellence by Ministry of Rural Development & UNICEF. The Centre has been serving as technical support unit to DAY-NRLM for knowledge management, policy and convening support for food, nutrition, health, family planning, gender-transformative work and WASH interventions with and for women self-help groups and their federation network under DAY-NRLM.

ROSHNI
Center of Women Collectives
Led Social Action

Faculty

Archna Kumar, Associate Professor, M.Sc., (Community Resource Management and Extension), Ph.D. (Home Science) Delhi University.

Research Interests: Development issues, participatory communication and management of development programmes. She has worked on issues of Gender, Natural Resource Management, ICTs and Community Radio for development as well as use and building capacities for the Most Significant Change Techniques for M & E of C4D programme.

Email: archanak@hotmail.com

Sarita Anand, Associate Professor, M.Sc. (Home Science Extension), M.S. University, Baroda; M.Ed., Himachal Pradesh University; Ph.D. (Community Resource Management and Extension), Delhi University.

Research Interests: Gender and Development Concerns and analysis of Policies and Programs for Inclusive Development. She has been involved in research work in Communication for Development in context of Female Foeticide, HIV/AIDS, Women's Health, Violence, ICTs and Community Radio for women's development.

Email: sa_anand2007@yahoo.co

Sudha Sachdeva, Assistant Professor, M.Sc. (Community Resource Management and Extension), Delhi University.

Research Interests: Development

issues and concerns, sustainable consumption and development, gender and development, communication research and action for development and behaviour change; and gender, media and society issues.

Email: sudha_lic05@yahoo.co.in

Aparna Khanna, Associate Professor, M.Sc. (Community Resource Management and Extension), Ph. D. (Home Science) Delhi University.

Research Interests: Designing and evaluating media and strategies for behaviour change communication in the context of inclusion and diversity. Planning and conducting need-based training and capacity building programs for women and youth using a participatory approach. The focal areas of her work are promoting Life Skills, Literacy and Library for sustainable change.

Email: aparna.khanna@lic.du.ac.in

Rupa Upadhyay, Associate Professor, M.Sc., Ph.D. (Horticulture), G.B. Pant University of Agriculture and Technology, Pantnagar.

Research Interests: Sustainable Agriculture, Applied Botany, Horticulture based Livelihoods, Post Harvest Management of Food Crops, Characterization of Varieties through Seed Protein Electrophoresis. Earlier worked on development of Hybrids in Vegetable Crops using indigenous lines and conducted trials of Plant Grow Out Tests to test genetic purity of seeds.

Elective course 3	4	2		6
Elective course 4	4	2		6
Elective course 5	4	2		6
Total credits in elective courses	18			
Total credits in Semester IV	24			

Elective Courses - Select any three of the following:

- DCEEC41: SBCC : Nutrition, Health and Well Being
- DCEEC42: SBCC: Sustainable Development and Climate change
- DCEEC43: SBCC: Consumption and Public Policy
- DCEEC44: SBCC: Peace and Human Rights
- DCEEC45: Livelihood Systems & Social Entrepreneurship
- DCEEC46: Evaluation of Development Programmes & Policies
- DCEEC47: Corporate Social Responsibility and Fundraising
- DCEEC48: Urban Governance and Civil Society
- DCEEC49: Lifelong Learning and Life Skills
- DCEEC410: Knowledge Management & Digital Marketing
- DCEEC411: Corporate Communication and Public Relations

Note:

- Syllabus transaction, internal assessment and marking to be in accordance with CBCS norms laid by the University of Delhi.
- Allocation of electives based on merit.
- For semester III, students to choose open elective other than their own specialization

Resource Management & Design Application

The Department strives at empowerment through knowledge and skills towards management of personal, family, community and shared resources for creation of sensitive, aesthetic and sustainable environment.

The Postgraduate Department of Resource Management & Design Application (RMDA), Lady Irwin College, was established in the year 1964 and since then its nomenclature and curriculum has been revised and updated from time to time. In the year 2007, the department of CRME was bifurcated into two and the curriculum was formulated for Resource Management & Design Application. The new curriculum was in line with future demand and industry requirements. In the year 2009, another revision took place in the semester mode. In 2018, the department got another opportunity to revise its curriculum to Choice Based Credit Scheme.

The department offers M.Sc. programme in two areas of specialization based on students' choice, viz., Space and Product Design and Environment Management & Sustainable Development are being offered. The two-year Master's

programme is a composite course focusing on the management of various resources – human, material and natural, and deals with the integration of these resources with design functions. In addition, the department also offers a short

certificate course on Retail Management. This is a value added course designed to enhance the skills of students and make them more market savvy. The course provides industry placement after completion of one or more modules.

Sushma Goel
M.Sc., Ph.D.

T. G. Rupa
M.Sc., Ph.D.

Meenakshi Mittal
M.Sc., Ph.D.

Shanta Tirkey
M.A., M.Sc.,
MBA, Ph.D.

Puja Gupta
M.Sc., Ph.D.

Faculty

Sushma Goel, Associate Professor, M.Sc., in CRM & Ph.D

Research Interests: Space design, sustainable product design, facilities management, ergonomic design of furniture and workstations for users from diverse backgrounds, management of shared resources - water, energy (renewable and human), resource audit, management of solid waste, lighting design and research. Presently she is head of the Resource Management & Design Application Department.

Email: sushma.goel@lic.du.ac.in

Meenakshi Mital, Associate Professor, M.Sc., Ph.D. in the area of Women, Poverty and Urban slums and has done MBA with specialization in marketing management. She has received President's national award for her writings on women and literacy.

Research Interests: Social development programmes, issues related to sustainability and green buildings have been areas of her research

Email: meenakshimital@gmail.com

Puja Gupta, Associate Professor, M.Sc., Ph.D.,

Research Interests: A rich experience

in both industry and academia. She has authored books for CBSE and NCERT Senior Secondary Curriculum. She presented more than 30 papers in National and International conferences and seminars. Dr. Puja is an accredited Achievement motivational trainer whose interest lies in the area of entrepreneurship, intrapreneurship and training and development

Email: drpujagupta@rediffmail.com

T. G. Rupa, Assistant Professor, M.Sc. (Community Resource Management & Extension), Ph.D. in the area of Economic empowerment of women through Self Help Groups. Her specialization areas include ergonomics, space planning and design, facilities management, green buildings, waste management.

Email: tgrupa@rediffmail.com

Shanta Rani Kerketta, Assistant Professor, M.A. (Economics), JNU, M.Sc (Economics and Financial Economics), University of Nottingham, U.K., Ph.D. (International Business), Delhi School of Economics. She was selected by University of Delhi to attend one year young faculty training programme in Economics and Financial Economics at University of Nottingham, U.K.

Research Interests: Economics and Finance

Email: shantak11@gmail.com

Career Options

Alumnae of the Department are working in government, non-government, international organizations and corporate houses in managerial and executive positions. Some of the important placement avenues are:

- **Environment Management and Sustainable Development:** Green Building Consultants, Executives in Operations and CSR wing, Deputy Manager Training, etc.
- **Product Designers & Space Developers**
- **Event Management:** As graphic designers
- **Real estate journalism and Research**
- **Architectural/Design Communication:** Content Writers
 - **Design Research**
- **Academics:** Teaching in school, colleges and universities
- **Research and Entrepreneurship:** As designers, trainers and consultants

Distinguished Alumnae

- Aditi Puri, Project Co-ordinator, USAID.
- Alka Malhotra, Project UNICEF.
- Anika Badyal, Client Solutions Executive, AC Nielson.
- Arpana Luthara, Deputy Director, Monitoring and Evaluation, USAID.

- Arpita Ranjan, Head, Interior Design: IVS School of Design
- Heena Bijli, Reader, IGNOU, New Delhi.
- Jyotsana Mathur, Director, Rocks And Roots.
- Kalpana Twakley, Associate Programme Officer, UNHCR.
- Kameshwari Moorthy, Deputy Director, IGNOU, Regional Centre.
- Madhu Malti, Personal Relations Officer, Delhi TRANSCO.
- Manpreet Brar, Fashion Model, Delhi.
- Mridula Seth, Former Technical Advisor, UNFPA, Delhi.
- Poonam Sharma, Managing Director, Headway, Coop Resources Pvt. Ltd.
- Ranjita Wadhwa Buti, Associate Fellow, TERI Action Programme.
- Rekha Bhagat, Director, Division of Agricultural Extension, IARI, PUSA.
- Rita Punhani, Deputy Director, NIPCCD.
- Ruchira Arunkant Gujral, Principal Coordinator, Aga Khan Foundation.
- Savitri Ramamurthy, Former Reader,
- Vinita Narula, Former Reader, Department of Food and Nutrition, Lady Irwin College, New Delhi.
- Sheena Chhabra, Programme Officer, USAID, Delhi.
- Shikha Wadhwa, Programme Officer, UNICEF, Jaipur.
- Sneh Batla, Director, Bureau of Indian Standards.
- Sonali Nagpal, Coordinator, CARE India.

Human Development & Childhood Studies

Human Development and Childhood Studies is a multi-disciplinary department devoted to understanding the nature of human development across the life span in a culturally diverse, changing and complex world.

The academic programme focusses on contextual and systemic frameworks to the study of development and relationship processes through research, teaching and application. The students are engaged in learning about theories and principles of development, research methods, early childhood education and policy. A focus is placed on childhood and family life in Indian communities. Through intense practical training and internship, the students are repeatedly sensitized to issues of diversity, disability and disadvantage so that they develop the capacity for working with children, adolescents and adults in diverse contexts. The curriculum is broad-based and interdisciplinary with a balance between classroom learning and field opportunities.

Faculty

Vinita Bhargava
M.Sc., Ph.D.

**Shraddha
Kapoor**

Vinita Bhargava, Associate Professor, M.Sc. (Child Development), Ph.D., Delhi University. She has authored "Adoption in India: Policies and Experiences" (2005), Sage Publications and "Sweekaram", Vikatan Publishers. She has developed a support group for adoptive parents called APNA (Alternative Parenting Network Association).

Research interests: Alternative parenting, institutionalization and foster care, culture and identity and early childhood initiatives.

Email: vini.bhargava@gmail.com

Shraddha Kapoor, Associate Professor, M.Sc. (Child Development), Ph.D, Delhi University. She has been involved with research, teaching and administration for twenty-one years.

Research interests: Childcare, parenting, gender, family studies and early childhood education. She is the author of several articles and a chapter in an international publication on early childhood education in different countries.

Email: shraddhaskapoor@gmail.com

Priti Joshi, Associate Professor, M.Sc. (Child Development), Ph.D, Delhi University.

Research interests: Education and human development, children's literature, pedagogy for young adults, and the use of a more 'humanising' social science research methodology. Has worked extensively on inclusion of children with disabilities in regular schools and supported governmental and civil society efforts in the sector.

Email: pritisjoshi@gmail.com

Punya Pillai, Assistant Professor, M.Sc. (Child Development), Ph.D., University of Delhi.

Research interests: Cultural research on cognition, infancy

Email: ppillaihdc@gmail.com

Career Options

The Department of Human Development and Childhood Studies examines the nature of human development across the lifespan in a culturally varied, dynamic and complex world. Students engage in a curriculum that provides a strong theoretical foundation backed by practical experience and fieldwork to develop sensitivity and skills in working with children and families. The grounding students acquire prepares them for professions addressing developmental challenges and life-cycle issues, and focus on enabling individuals, families and organizations to attain an enriched, empowered life.

Education Sector: Many of our students join the education sector as teachers or resource persons either at University, College or School levels. Students keen on an M.Phil. or a doctoral degree join institutions of higher learning.

Research and Development: A master's degree also provides job opportunities in Research and Development in both governmental and non-governmental organisations working for children, families and communities in diverse sectors such as education, media and health.

Policy and Programmes for children: Several students branch out into careers related to policy and programme planning for individuals across the life span and in particular children, youth and women.

Distinguished Alumnae

- Adarsh Sharma, Former Director, NIPCCD, Delhi.
- Alka Pathak, South Asia Regional Director, CARE, Nepal.
- Alpa Goel, Director, Dew Drops Therapy Centre, Delhi.
- Anita Patheja, Director, Dept. of Agriculture and Cooperatives.
- Anita Saran, Educationist, Member Governing Body, Lady Irwin College.
- Anjali Misra, Chair and Professor, Dept. of Special Education, State Univ. of New York.
- Anupama Singh Rao, Regional Director, East Asia and Pacific Region, UNICEF, Bangkok, Thailand.
- Deepa Grover, Consultant, UNICEF, Geneva.
- Deepa Jain, Miditech, Delhi.
- Deepa Narayan, Senior Advisor, World Bank.
- Dharini Mishra, Director, News Division, Ministry of Information and Broadcasting, Govt. of India, Delhi.
- Jyoti Nanda, Existential Therapist, London.
- Karuna Bishnoi, Officer Incharge, Communication, UNICEF India,
- Khushboo Bhola, Clinical Psychologist, Working in De-addiction
- Lata Menon, State Representative, UNICEF, Raipur.
- Mridula Bajaj, Executive Director Mobile Creches, Delhi.
- Neelam Sood, Associate Professor, NUEPA, Delhi.
- Neerja Chaddha, Reader, IGNOU, Delhi.
- Nutan Prakash, Operations Manager, Administration, UNICEF India,
- Rashmi Gahlaut, Principal, Govt. School, Delhi.
- Rashmi Singla, Asst Prof., Roskilde University, Denmark.
- Ritu Juneja, Director, Special School Tamanna, Delhi.
- Ritu Anand, Honorary Advisor, Helpage India.
- Renuka Motihar, Independent Consultant working in the area of HIV/AIDS in Children.
- Rekha Sen, Reader, IGNOU, Delhi.
- Roopa Shankar, Principal, Little Scholars, UP.
- Shobha Pais, Director, Dept. of Family, Indiana University.
- Sunisha Ahuja, Program Director, Room to Read, Delhi.
- Vandana Nangia, Special Educator, Sanskriti School, Delhi.

Fabric and Apparel Science

The Department of Fabric and Apparel Science equips students with an understanding of design and technology in fabrics and apparel along with an appreciation of our rich textile heritage.

The Post graduate programme in Textiles and Clothing was initiated in the academic year 1987- 88. It has evolved and developed for more than three decades, achieving high standards of academic

excellence. The post graduate programme is suitably supported by requisite infrastructure, latest equipment, computer facilities and an extensive department library. The courses have been diversified and re-

contextualized keeping pace with the latest developments in the textile and garment industry. The revised post graduate curriculum with a change in nomenclature to 'Fabric and Apparel Science' was introduced in 2007.

Faculty

Simmi Bhagat, Associate Professor,
M.Sc., Ph.D. Textiles and Clothing,
B.Ed., Delhi University

Research Interests: Traditional Indian Textiles, Carbon Footprint, Documentation and Conservation of Textiles, Handicrafts and Handlooms Sector, Textile Design and Techniques- Dyeing, Printing, Weaving and Surface Ornamentation, Fashion Design and Illustration, Extension and Community outreach programmes in the area of Textiles and clothing

Email: simmi.bhagat@lic.du.ac.in

Seema Sekhri, Associate Professor,
M.Sc., Ph.D. Textiles and Clothing,
Delhi University.

Research Interests: Span from design to technology. Doctoral A new approach to garment design through somatometric measurements of selected Indian females"work on sizing for Indian Women". Post doctoral work on "Application of natural dyes in Home Textiles", with UGC major research grant.

Email: seema.sekhri@lic.du.ac.in

Ritu Mathur, Associate Professor,
M.Sc., Ph.D. Textiles and Clothing,,
B.Ed., Delhi University.

Research Interests: Traditional Indian textiles, Costume studies, Fabric Science, Community outreach, Rehabilitation of persons with special abilities, Apparel industry

Email: ritu.mathur@lic.du.ac.in

Deepali Rastogi, Associate Professor,
M.Sc. Textiles and Clothing, Delhi University, Ph.D. Textiles Chemistry, IIT Delhi.

Research Interests: Documentation of traditional textile craft and costumes and intervention for their revival, Extension and community outreach programmes, Natural dyes and ecofriendly processing. Doctoral research on 'Dyeing of Silk with Bifunctional Reactive Dyes'.

Patent on Saltfree dyeing of Silk with Reactive Dyes

Email:

Career Options

The post graduate program prepares students for career opportunities in

- Textiles and garment industry
- Research and academic institutes
- Textile Conservationists
- Entrepreneurs
- Teachers in Schools

. Designers and merchandisers in textile and garment industry.

. Faculty and Researchers in Textile Institutes
. Image Stylist and Wardrobe consultants

The alumnae of the Department are placed in various organizations as designers, merchandisers, production coordinators and managers, executives, entrepreneurs, image stylists, textile conservationists, faculty and researchers.

Calendar of Events

Distinguished Alumnae

- Anugrah Shaw, Professor, University of Maryland, active researcher, numerous publications in international journals, has also authored a book on textiles.
- Aruna Anand, Successful entrepreneur who started her own manufacturing unit - Ethnic India.
- Durga Ganguly, Pioneering work in design and construction of garments and accessories for the specially abled, retired faculty of Lady Irwin College.
- Mona Suri, Academic Vice President, Riffa Bahrain, Royal University for Women
- Neerja Garg, Leading entrepreneur in the field of Home Textiles, marketing products throughout the country. Brand names - Swayam, Forever, Elements.
- Nidhi Datt, Director, Norwest Industries Limited.

April, 2021	Special lecture on "Research Thrust Areas"
April, 2021	Visit to IIT
May, 2021	Mock viva
May, 2021	Department Farewell to students
1 st June-30 th June, 2021	Internship
July, 2021	TUKACAD Workshop

Scheme of Examination (CBCS)

SEMESTER I				
Number of core courses	Credits in each core course			
Course	Theory	Practical	Tutorial	Credits
Core course 1 CC101: Research Methods	4			4
Core course 2 FASCC102: Advanced Fabric Science and Quality Control	4	2		6
Core course 3 FASCC103: Garment Manufacturing Technology	4	2		6
Core course 4 FASCC104: Historic Textiles	4			4
Total credits in core course	20			
Total credits in Semester I	20			

SEMESTER II

Number of core courses	Credits in each core course			
Course	Theory	Practical	Tutorial	Credits
Core course 5 CC205: Statistics and Computer Applications	4	2		6
Core course 6 FASCC206: Textile Finishing and Evaluation	4	2		6
Core course 7 Core course 9 Integrated FASCC207: Advanced Computer Practical		4		4
Core course 8 FASCC209: Advanced Pattern Making and Garment FASCC208: Fashion Merchandise Construction and Retail	4			4
		4		4
Total credits in core course	24			
Total credits in Semester II	24			

SEMESTER III

Elective Courses: Select any two of the following:

- FASEC31-Extension and Economic Empowerment
- FASEC32- Psychology of Fashion
- FASEC33- Women’s Wear
- FASEC34- Sustainability in Textiles and Fashion Industry
- FASEC35-Marketing Management

Open Elective Courses for Semester III - Select any one of the following:

- FNOE31 : Community Nutrition Assessment
- HDCSOE31 : Parenting & High Risk Infants
- DCEOE31 : Communication Processes and Techniques
- RMDAOE31 : Entrepreneurship & Innovation
- FASOE31: Fabric Study

Number of core courses	Credits in each core course			
Course	Theory	Practical	Tutorial	Credits
Core course 10 FASCC310: Historic Costume	4			4
Core course 11 FASCC311: Dyeing, Printing and Colour Measurement	4			4

Number of elective courses	Credits in each Elective course			
Credits in each elective course	Theory	Practical	Tutorial	Credits
Elective course 3	4	2		6
Elective course 4	4	2		6
Elective course 5	4	2		6
Total credits in elective courses	18			
Total credits in Semester IV	24			

Elective Courses: Select any three of the following:

- FASEC41-Children's Wear
- FASEC42-Functional Clothing
- FASEC43- Textiles for Home and Hospitality
- FASEC44- Technical Textiles
- FASEC45- Textile Conservation
- FASEC46- Fashion Communication
- FASEC47- Commercial Laundry Practices

Note:

- Syllabus transaction, internal assessment and marking to be in accordance with CBCS norms laid by the University of Delhi.
- Allocation of electives based on merit.
- For semester III, students to choose open elective other than their own specialization

Department of Science

The Department of Science, Lady Irwin College has its roots in the origin of B.Sc. Home Science degree programme in the year 1950. The Department of Science has been engaging highly qualified faculties from various disciplines: Botany, Biomedical Sciences, Chemistry, Entomology, Environmental Science, Gynaecology, Horticulture, Molecular Biology, Mycology, Physics, Zoology etc. Department of Science has interdisciplinary approach, we are committed towards instilling rational thinking, creating scientific temper and decision making amongst undergraduates through basic and applied teaching in the streams of Botany, Chemistry, Environmental sciences, Physics and Zoology. The curriculum of the subjects trains the students in laws of natural sciences through supportive practical experiments and field visits.

Our students hail from various educational backgrounds, many of them are not having sufficient preparatory training in sciences. This Coursework hence helps preparing a level playfield for all by the time they are ready to pass out and join their professional duties. After completing their under graduate programmes,

students may do masters in Food and Nutrition, Human Development and Childhood Studies, Fabric and Apparel Science, Development Communication and Extension and Resource Management and Design Application. In all these courses, a background of science training helps them to excel. The curriculum of science also helps students in developing research skill in sciences to do research at Masters and Ph. D. level. Many

students opt for B. Ed. and B. Ed. Special Education. after finishing their under graduate programmes. Having a strong science base at undergraduate level the students are able to efficiently teach science to school students after doing Bachelor of Education. The Science courses provide skill and build capacities in students to become leaders in their professional life. The faculty of Science Department is associated with various Post Graduate Departments like Food and Nutrition, Development Communication and Extension and Resource Management and Design Application to Teach Post Graduate students and do guide dissertation students. The department makes the students aware about eco-friendly farming and organic food. The department organizes various academic activities viz. lectures, plantations, conservation of environment activities, field visits, Eco Club activities, quizzes etc. The curriculum of the department has changed from time to time, keeping the requirement of students of today's world in focus. The Department of Science prepares the students to have an analytical thinking to be observant, to have a rationalistic approach, to value and conserve natural resources and to be sensitive towards agrarian society.

The Department organises an annual debate competition in the memory of Dr. APJ Abdul Kalam to promote Scientific and environmental tempore among the youth. The Department also organizes invited lectures on National Science Day. Several webinars/invited talks/workshops of eminent scientists working in different fields of Science are also organized by the Department to give students an insight of the ongoing scientific research in different fields.

Faculty

Rupa Upadhaya, Assistant Professor, M.Sc., Ph.D. (Horticulture), G.B. Pant University of Agriculture and Technology, Pantnagar.

Research Interests: Sustainable Agriculture, Applied Botany, Horticulture based Livelihoods, Post Harvest Management of Food Crops, Characterization of Varieties through Seed Protein Electrophoresis and Earlier worked on development of Hybrids in Vegetable Crops using indigenous lines and conducted trials of Plant Grow Out Tests to test genetic purity of seeds.

Email: rupa_upadhyay@yahoo.com

Pooja Raizada, Assistant Professor, M.B.B.S. DNB (Obs. & Gynae)

Research Interests: Adolescent Health and Gynaecology Preventive medicine.

Email: pooja_raizada@yahoo.com

Academic Support

Library

Dr Simmi Bhagat – Incharge

Professional Assistants

Mrs. Vandana Goel

Mrs. Neha Singhal

Lady Irwin College Library provides an updated facility of books, journals and online support to undergraduate and postgraduate students, faculty and research scholars. The library is housed in a separate building constructed in 1958, which has one and a half storey structure. In 2009–10 the library building was renovated with latest ICT requirements while retaining the ambience of its heritage structure and making it energy efficient.

Today, the Lady Irwin College Library is fully automated with all its subsystems and equipped with 120 seating capacity, Air-Conditioned Conference Hall, Fiber Optic 24x7 connectivity, Wifi enabled building, INTERNET work station with 34 computers and an INTRANET server with several attached clients.

Founded in the 1930's with a few gifted books, the library has grown significantly, with 57,000 published documents with hundreds of electronic documents. The library subscribes to more than a hundred national and international journals every year. It has 2900 research

works (Dissertations and Thesis and Reports) and more than 7800 bound back files of periodicals. The college library is known for its quality collection among Home Scientists nationally and internationally. Major areas of its collection are: Food and Nutrition, Food Technology, Human Development and Childhood Studies, Fabric and Apparel Science, Resource Management and Design Applications, Development Communication and Extension, Dietetics, Education and Special Education. The other areas include, Food Science, Sociology, Psychology, Antropology, Children with Special Needs, Gender Studies, Woman Studies, Apparel Design, Fashion Designing, Applied Science, Communication, Management etc.

It has been a constant endeavor to keep pace with modern technology. The library has become digitalized by automating its services and access to literature and data provisions (printed and digital), its collection and in providing network services.

For the LAN, the library uses LIBSYS 10 – library management software on LINUX-REDHAT Enterprise platform. The database of library holdings (books and journals both) is available on OPAC on library LAN

for bibliographical searches. To have error free circulation, library uses bar code technology for its documents and Library ID card, and scanners. Library Management System is being upgraded in the summer of 2019. The library offers the following services: Lending services, OPAC facilities (Online Public Access Catalogue), OPAC on INTERNET also through DELNET, Reference Services; Bibliographical Services, Plagiarism check facility, Fiber Optic connectivity

for INTERNET surfing, Wifi, Online search facilities of E-journals and Databases subscribed by DU, E-SHODHSINDHU viz. EBSCO; SCOPUS; J-STORE; Springer, Elsevier, Blackwell, Taylor & Francis and others in public domain. DELNET (Developing Library Network) connectivity and Search through CD- ROM Digital Databases: ISID, Plan and Statistical Database; Reprographic facilities (on contractual basis) are also available. In addition, E-journals and E-books access is available remotely through N-List.

Computer Resource Centre

Members

Dr. T.G. Rupa

Ms. Madhuri Nigam

Ms. Shweta Suman

The Computer Resource Centre (CRC) acts as a nodal facility to support all digital needs of the college. CRC provides and maintains 24x7 internet connectivity in college through the IT Hub as a part of the Delhi University Network.

Fiber optic cables and Wi-Fi provide fast internet and seamless connectivity across the college campus.

The centre has three dedicated computer labs under CRC that are well equipped with the latest updates in software and hardware. Students, research scholars, teaching and non-teaching staff enjoy access to computers in ergonomically designed workstations and facilities like internet, projection, presentation, scanning, printing and video conferencing. Students and faculty are regularly provided with laptops issued by Delhi University for academic pursuits. CRC staff is trained to give hardware and software support to all registered users.

The entire campus is WiFi enabled

Rajkumari Amrit Kaur Child Study Centre

Executive Committee members,
Department of Human Development
and Childhood Studies

Dr Vinita Bhargava-**Lecturer-in-charge**

Dr Punya Pillai

Ms. Savita Sagar

The Rajkumari Amrit Kaur Child Study Centre – a laboratory school – has been an integral part of the Department of Human Development and Childhood Studies. The Centre offers quality services, including early intervention, to young children and their families. The programme has several components.

The largest component is the Play Centre, an

early childhood programme for children between 2 to 4 years. It nurtures the uniqueness of each child, hence the classroom processes provide adequate and appropriate resources, guidance and support to children in learning at their own pace. The school serves the developmental and educational needs of approximately 50 children. This includes nearly 15 children with different disabilities in an inclusive setting. An early intervention

programme (Setu) offers specialized inputs to another 5-10 children with disabilities as early as possible. Extended therapies (such as speech therapy and occupational therapy) and special education are available for children who are otherwise not enrolled with in the early childhood programme. The ultimate goal is to enable them to be part of the mainstream. Setu supports families from financially underprivileged strata.

Apart from the nursery school, the Centre also runs a full-time crèche for 6-month to two-year-olds and a day care/ after school care facility for 2 to 12 year-old children of working parents. These child-care facilities ensure a healthy, safe, nurturing and enriching environment. Additionally, it is one of the few sites in India where ECCE trainees from other educational institutions such as, Mobile Crèches, NIPCCD, Ambedkar University, IGNOU Amity University, Jamia Milia Islamia and Azim Premji receive academic guidance and supervised training. Currently, the Centre is offering online morning inclusive education program in the spirit of encouraging and continuing learning from home for children.

Hostel

Members

Dr. Dolly Florence - **Warden**

Dr. Simmi Bhagat

Dr. Lalita Verma

Ms. Anjana Kumari

The Lady Irwin College Hostel is a "A Home Away From Home" for about 200 students coming from all parts of India and abroad. There are two separate hostel buildings, one for the Undergraduate students and the other one for Postgraduate and Ph.D. scholars. The renovated hostel building is equipped with modern facilities with a traditional façade that is elegant and efficient. The hostel is Wi-Fi enabled and has LCD television besides other facilities. The rooms are spacious and well furnished. The hostel provides all the students a safe and comfortable environment and a Zero ragging and a No Smoking Zone. The students who have secured admission in college are eligible for hostel accommodation. The hostel seats are reserved as per the government rules for SC/ST/OBC and PWD. Admission to the hostel will be given as per the merit and the following categorization:

Category A: 95% of seats will consist of those students whose parents are not residing in or around Delhi.

A proof of residence has to be submitted for the same.

Category B: 5% of the seats will consist of those students whose parents are not residing in Delhi or NCR of Delhi but 20 kms. or more from the college. A proof of residence has to be submitted for the same.

Admission to hostel will be allowed if

applied for at the time of submitting application form for admission to the course. Parents are requested to send application on separate form available in hostel office, along with the application for admission. Hostel accommodation in subsequent year of the academic course is not assured. Any candidate not fulfilling the attendance requirement during the current academic year will be denied

the hostel seat in the next academic session.

Students who fail in the 1st year Examination in the B.Sc. course and are seeking re-admission will be considered as fresh applicants for the purpose of admission. The Hostel also provides facilities for foreign and Ph.D. students as well as for students with special needs.

Canteen

Members

Dr Shailly Nigam– **Convenor**

Mr. Sultan Singh –

Co-Convenor

Dr. Anjani Bakshi

Mr. Devender Sharma (Non-teaching)

Mr. Jaswant (Non-teaching)

Ms. Shivani Singh

(Student Representative)

The College canteen is aptly named CHERISH CANTEEN with the motto 'Choose Healthy - Eat Right - Inspire Others - Stay Healthy'. It is housed in the Students Centre and serves healthy and hygienic food at reasonable rates to the staff and students of the college. The canteen provides lunch, snacks and beverages during college hours. Adjoining the canteen is a green space that offers a clean and student-friendly hang out zone to spend time with friends over coffee and refreshments. The Canteen operations are duly monitored by the committee members to ensure high standards of hygiene and cleanliness.

Student Activities

Students' Association

Lady Irwin College has a very organized and democratically elected Students' Association. The Students' Association comprises of a Central Coordinating Executive and 14 societies that enrich the cultural and corporate life of the college. The Students' Association elected office bearers comprise a President, Secretary, Treasurer and others. Student representatives from first and second year are also included. For the present year, the Students' Association is represented as follows:

Students' Association Staff Advisors:

Dr. Mayanka Gupta, Dr. Dipesh Aggarwal

College President: **Ms. Shivani Singh**

College Secretary: **Ms. Vimita Varshney**

Cultural President: **Ms. Drishti Gupta**

Cultural Officer: **Ms. Muskaan Sehdev**

Treasurer: **Ms. Aishwarya A Nair**

Joint Treasurer: **Ms. Anushka Sharma**

Chief Chancellor: **Ms. Shivani Mandloi**

Junior Chancellors: **Ms. Sanchita Chauhan, Ms. Ganga Mishra**

Hospitality President: **Ms. Chetna Tanwar**

Hospitality Officers: **Ms. Simran,**

Ms. Anupriya

Central Union:

There are elected positions for the students' activities, hospitality and other cultural and academic events throughout the year besides students in other supporting positions. The student staff advisors are chosen from the college faculty who guide and mentor the association. There are 14 societies in all which are listed below. Each society has a student president and secretary with a faculty as the society staff advisor. The college has a regular calendar for Students' events within the annual cycle. These events are conceptualized in consultation with staff advisors and executed by the students. These events broaden the scope of education besides providing students a platform to show-case their talents and learn managerial competencies.

The following activities are the regular events of the societies:

1. Freshers' Talent Contest to identify new talent from the incoming pool of students.
2. Local Inter College competitions: Outstanding talent identified through the above events represent the college in group events or solo performances in festivals organized by colleges.
3. Out-station events: Students enthusiastically participate in festivals in institutes located in other cities such as Pilani, Kanpur, Goa to name a few.
4. The college holds an Annual festival titled **Quintessence** where competitions in different categories are organized by the various societies of the association and the students play host to teams from several colleges. Well known celebrities are invited to perform at the college festival that adds to the cultural richness of the college. The Students' Association in college is supported by media houses such as the Times of India and Hindustan Times.
5. Celebrations throughout the year include Independence Day, Gandhi Jayanti, Teachers' Day, DJ Evening, Quintessence etc.

Dramatics- Mukhauta

Staff Advisor

Mr. Vinoy Krishna

President: Mannavi Nehra

Secretary: Kavita Mawari

Mukhauta- The Stage Play Society of Lady Irwin College is one of the finest and eminent theatre societies of Delhi University. The tenure 2019-20 started with the astounding performance which highlighted the integrative nature of Home Science through the act 'Asmanjas' on the Orientation Day at Kamani Auditorium. This was followed by Freshers' Talent Contest, Independence Day and Teachers' Day celebration.

The Annual event of the society, 'Dr. Durga Deulkar One Act Play Competition – ALOHMORA' was a great success. The Annual Production (2019-20) 'Jis Lahore Nai Vekheya, O Jamiyai Nai' touched great heights of success and bagged various awards.

The achievements of the society are as follows:

- Best Production at Antaragni- The Annual Cultural Festival of IIT, Kanpur.
- Saloni Chopra bagged the Best Actor (Female) Award the Annual Theatre Festival of Atma Ram Sanatan Dharma College.
- Second Best Production at the Annual Theatre Festival of BML Munjal University.

- Third Best Production at the Annual Theatre Competition of Deshbandhu College and at Annual Stage Play Competition of Hindu College.

Street Play- Akaar

Staff Advisor

Dr. Ruchi Gaur

President: Aditi Kumari

Secretary: Meghshree

Street play or Street theatre is a platform for artists to raise their voices, spread awareness on social issues. Akaar as the name suggests aims to shape the society and to bring about change in society and the way things are done. Street play is not just about actors but also writers, singers, dancers, content creators, percussionist i.e. people with all kind of talents who help us create a piece to create an impact on the viewers. We organize workshops for freshers which helps open up and bond. This year, the topic of our annual production was 'Marital rape'.

The achievements of the society are as follows:

- Our production, The Private Matter bagged Second position for best script at the street play event 'Noida Rangmahotsav' and Aurora Organized by Environmental Society of Satyawati College.
- Best Visualization prize at the Street play event 'Mirage' organized by Yavanika-Street play Society of Deen Dayal Upadhyay College.
- Third Position at The Street play event of Institute of Home economics and Sri Aurobindo College.
- Our team member Yashvee Tomar won best actor award at IIT Kanpur.
- Public performances organized in places such as Majnu Ka Tila and Connaught Place.

Dance-Nrityanjali

Staff Advisor

Dr. Sunaina Batra

President: Shubhangi Jaiswal

Secretary: Varnika Narota

The Dance Society of Lady Irwin College, aims at letting the girls dance their hearts out. It encourages students to perform classical forms of dance as well as folk and contemporary. The society started the year with a performance for the fresh batch of students at Orientation'19 followed by performance on Independence Day, Teacher's day, Gandhi Jayanti and other in-house events. Nrityanjali organized the western group dance competition VYAM'20 and the street dance competition YASHAS'20 during college fest QUINTESSENCE'20 which witnessed huge participation from several renowned colleges of Delhi University. The society participated in various competitions and intercollege cultural fests all over Delhi. This year the society has a total of 15 wins in all three categories – solo, duet and group dance events.

- 1st POSITION in Dance competition at BITS PILANI, BULMIM COLLEGE, BCAS, KALINDI, ARAVALI, ZAKIR HUSSAIN COLLEGE.
- 2nd POSITION in Dance Competition in IIT DELHI, SRM, PGDAV (eve), CHRIST, ARAVALI, AMITY (Gurgaon).
- 3rd POSITION in Dance competition at IIT GUWAHATI (city prelims), MANAV RACHNA UNIVERSITY.

Literary Society- Eternal Phrases

Staff Advisor

Ms. Dimple Rangila
Ms. Sakshi Wadhwa

President: Niharika Jain
Secretary: Jigyasha Yadav

The Literary Society of Lady Irwin College aims at promoting students' expressions through the pen. It gives a platform to the students, where they can express their opinions, views, ideas and feelings in the most creative way.

The academic year 2019-2020 began with Freshers' Talent Contest- 'Missing Connections', later society organized 'Tell a Tale', 'Slogan Writing Competition' and 'Poetry Writing Competition'. Eternal phrases also contributed in various college events throughout the year like

distributing bookmarks on Independence Day, and poetry cards on Teacher's Day, and various other activities on different events. The society members also took part in the literary events organized by other colleges.

The highlight of the year was Lexicon'20, the annual literary fest of the college. Society also brought out the Annual College Magazine 'JAGRITI'.

The Debating Society-Vani

Staff Advisor

Ms. Sweta Suman

President: Meher Mangat
Secretary: Anuja Prashar

Vani- The Debating Society, is the voice of Lady Irwin College itself. From inculcating oratory skills to giving a platform for discussion on

the various issues that surround the world, the society helps the students to question their queries, provides the platform to bring out their talent and empowers its members with audacious and ostentatious skills.

Our society continued its tenure by, having its first event as Fresher's Talent Contest, which included conventional debate discussing how home science should be introduced to men for higher education and one was Open Mic Competition. Second event was Dr. Kalam Series, on science and environment in collaboration with the Department of Science, Lady Irwin College, topic being "Outer Space Colonisation: A Pipedream?". Our society had its first edition of VALOURMUN in January 2020 where

"different histories, met common destiny." Our annual event for the year, Soliloquy'20 had two events on 19 and 20 February 2020, Aqeeda- The Open Mic Competition and Hannah Sen Memorial Debate, in which topics of utmost importance were discussed.

The society achievements are as follows:

- 1) First position by Vimta Varshney and third position by Anushka Goel in FTC.
- 2) First position in comic making competition in Vivekananda college.
- 3) Participation in Amity MUN, Jaypee MUN, Deltech MUN.
- 4) Outstation event participations like BITS Pilani.

Music-Dhwani

Staff Advisor

Dr. Dolly Florence
Ms. Shefali Chopra

President: Sneha Pandey
Secretary: Shreya Manchanda

DHWANI", the music society of Lady Irwin College aims at nurturing the

musical skills of all its members by actively being involved in learning different forms of music and providing them the right platform to showcase their talent.

The year 2019-20 started on a high note with a classical performance at the Orientation Day where the choir sang "Raag Todi and Tarana in "Raag Bhairavi" which was highly appreciated by everyone. Freshers' Talent Contest was organized for the new students to showcase their talent. The society performed on various college events such as Founder's Day, Independence Day, Gandhi Jayanti, Teachers' Day, farewell.

In the Annual College Fest QUINTESSENCE 2020, RHYTHHAR - The Music Event was organized by the society consisted of 'Swaragini - Indian Classical Choir' 'Echo - Western Solo' and 'Awaaz - Semi Classical Solo' competition. The event was a huge success with wide participation in choir and solos from various colleges of Delhi. The team also participated in various inter-college competitions winning accolades for its performance at IIT Kanpur. It was a great experience competing with such great teams and getting the opportunity to raise the college's flag high.

Fine Arts- Tulika

Staff Advisor

Ms. Vaishali Gupta

President: Srishti Goel

Secretary: Aditi

Tulika- The fine arts society of Lady Irwin College employs contemporary and classical techniques to design creative products.

The Fresher's Talent Contest (FTC) marked the beginning comprising activities like sketching, Mehendi Art and card making. The society added a few new things to its account like thrilling workshops where students learned a lot of new techniques of art with hands-on training.

The most awaited event of the Society was the annual Fine Arts Fest **VIRTUOSITY'20** which included Brushless Painting, Mehendi Designing, Mandala Art, Charcoal Sketching, Newspaper Dress Designing, and Rangoli Making. The society also initiated PRADARSHANI-The Annual Inter-College Art Exhibition that allows various participants from different colleges to exhibit their art and craftworks.

The society members participated in many in house and outstation events throughout the year like AIIMS, BITS Pilani, etc. Srishti Goel secured 2nd Position and Palak Sharma secured 3rd Position in online doodling competition in Lady Irwin college. Bedeya secured 2nd Position in ESQUISSE- Charcoal Sketching competition.

Fashion-Prophecy

Staff Advisor

Dr. Sabina Sethi

Dr. Lisa Lalmuankimi Pachua

President: Shaurya Dagar

Secretary: Sanah Walia

Prophecy started the year with a performance at The Orientation "UDAAN" welcoming the new batch followed by the Freshers' Talent Contest for the new batch with the theme "Groovy 70's". The annual production of the tenure 2019-20 was "HUMANITY BEFORE FASHION" which exhibited the brutality towards animals. 'A LA MODE' by Prophecy, an intercollege event was organized at Quintessence 2020.

Amidst the pandemic, Prophecy executed a virtual campaign regarding the Fashion Industry elaborating the annual theme. Achievements of the society in intercollege festivals are as follows: 2nd Position at Campus Vogue, Guru Gobind Singh College of Commerce. 3rd Position at Engifest, Delhi Technological University; New Delhi Institute of Management. Best Content at New Delhi Institute of Management.

Sports - Wave

Staff Advisor

Dr. Richa Mehta

Dr. Vinod Kalra

President: Simran Yadav

Secretary: Avni Dhankar

Ace focuses on sports which include Basketball, Badminton, athletic event (Short and Long-Distance Races, Marathon, Shot Put, Discus Throw) and Yoga. The society conducts Intramural competitions every semester to encourage students to participate and showcase their talents in sports along with academics and also celebrates Sports Day with immense participation of both faculties and students every year.

Ace also initiated to provide Infrastructure facilities including Sports Equipment, Refreshments, Certificates, Coaches, Playing Kits and other grants. Achievements of the session 2019-20:

- Bagged 1st position in Parade on Annual Sports day-ACE'20 of lady Irwin College.
- Participated in Reliance Youth Foundation Athletic Sports Meet, 79th Delhi State Athletics Championship.
- Participated in Nmami Ganga Marathon, Red Bull Shuttleup, Delhi - Badminton doubles, Run to Support Population Control Bill Marathon by UMEED NGO, Airtel Delhi Half Marathon.
- Participated in Inter-College such as Delhi University Basketball Tournament, Delhi University Athletics Championship (Shot put), IGNITE-2020 - Annual Sports Fest of IGDUTU'W.

President: Palak Kaur

Secretary: Bhawna Singh

The National Service Scheme (NSS) was initiated by the Government of India with the purpose of involving youth in the nation-building process. It is expected to arouse the social consciousness of the students and teachers and provide an avenue for personality development through community service. NSS Unit of Lady Irwin College focuses on the motto: NOT ME, BUT YOU! A variety of activities are organized every year to channelize the energy and idealism of the younger generation into creative pursuits under the guidelines of NSS Center, University of Delhi.

- Jal Shakti Abhiyan conveying message to conserve water.
- Books and Clothes Donation Drive to help the needy.
- National Voter's Day was celebrated.
- Workshop on Road Safety and Cybersecurity.

- Swachhta Pakhwada, various events such as Oath Ceremony, Rally and Dustin Installation, etc. were conducted.
- Anti-Tobacco Awareness Campaign.
- Cervical Cancer Workshop was organized.
- Walkathon in association with Fit India Movement
- Electoral Verification Program organized to verify voter ID cards.
- UDGAM'20 the second Annual Fest of NSS UNIT under Quintessence'20.

ECO Club

Staff Advisor

Dr. Sushma Goel
Dr. Deepali Rastogi
Mr. Rajneesh

President: Pavitra Khandelwal
Secretary: Natasha Bhasin

"Building a society that thrives, not just survives." With this motto we started our year with full zeal and enthusiasm with the Walk for Water rally.

To generate awareness about the increase of hazardous plastic waste, the Club organized numerous events including a workshop on "Adopting Sustainable Practices for Proper Disposal of Plastic Waste" in collaboration with Indian Pollution Control Association.

Eco Club also distributed 'Seed Orbs' and conducted Tree Plantation Drive. Eco Club also organized various online competitions and activities,

ECOGRAPHY – Online Photography Competition, PLANT – A – TALE, Video making Competition-CHALCHITRA, Pen-It-Down and Handmade Paper Making Workshop in collaboration with Bandiworks.

The Annual Cultural Event of Eco Club 'NATURLEZA 2020', was organized which included Pebble Painting, Poster Making and Portable Rangoli and many such Environment oriented competitions.

To generate awareness Eco Club hosted Virtual Film Festival, a 2-day event in which participants were shown movies and documentaries based on various Environmental issues.

Spic Macay Society

Staff Advisor

Dr. Shraddha Kapoor

President: Pannita Jain

Secretary: Aishwarya K U

Society for the Promotion of Indian Classical Music and Culture Amongst Youth is a voluntary youth movement

with the intention to enrich the quality of formal education by increasing awareness about different aspects of Indian and world heritage and inspiring the young mind to imbibe the values embedded in it.

Lady Irwin Spicmacay Chapter organised events with renowned Padmashree artist Shree Rajkumar Singhajit Singh and Smt Charu Sija Mathur with the Manipuri Dance Performance. Virasat'20 was organised for the first time in Lady Irwin Spicmacay Chapter with the Odissi Dance Workshop with young artist Smt Kavita Dwebdi ji and a Heritage Walk to Humayun's Tomb by Aradhna.

Photography Society- Chitrika

Staff Advisor: Mr. Rajneesh

President: Preksha Gandhi

Secretary: Muskaan Chauhan

Chitrika: The Pictures Echo, The Photography and Film Society of Lady Irwin College seeks to inculcate this beautiful art of photography and film making into its members through practical work, expert guidance and constant learning from and with its members.

In its inaugural session, Chitrika conducted its first annual festival, Vizana, displaying photographs from its members accompanied by various

competitions. It covered college as well as society events, accompanied by thereafter movie. The film-team released its annual production, 'Cessation', along with several movies during the session; whereas the photography team released an annual calendar with a display of photographic works of its members.

The achievements of the society are as follows:

- Preksha Gandhi won the first prize at Direct Bug Best Clip-online competition, conducted by Lady Irwin College.
- Likha Cherie bagged the first position at Online Fashion Photography Competition, conducted by St. Stephen's College.
- Mansi Gola secured the second position a Foodography, conducted by Food and Nutrition

- Department, Lady Irwin College

- Successfully organized U-Special Screening in collaboration with VIPS
- Official media coverage partners for Kalam Series on Science and Environment 2019, Virasat 2020

The Entrepreneurship Society: E-Cell of Lady Irwin College

Staff Advisors:

Dr. Puja Gupta
Ms. Mitali Yadav

President: Aparna

Secretary: Ashima Garg

The Entrepreneurship Society of Lady Irwin College aims to create a culture and inculcate values of entrepreneurship among the students. The society acts as a bridge between aspiring students and entrepreneurs. The society encourages students to participate and keeps them informed about the various entrepreneurial competitions and events taking place in colleges across Delhi-NCR. This society provides an ecosystem for

nurturing innovative ideas and formulation of that idea into a business.

The E-Cell was formulated in the year 2017-18, Lady Irwin College being a project institute under PMYUVA scheme of the Central Government. For the year 2019-20, the E-cell organized various events. A session in January 2020 was organized in collaboration with the E-cell of ADGITM college about the functioning of entrepreneurship cell in college. This session provided perspective on roles and responsibilities of team members towards the society.

An annual event, E-SPREE was organized in February 2020 which saw massive participation from colleges across Delhi-NCR on presentation of Innovative Business Ideas.

The E-cell, Lady Irwin College organized digital marketing seminar with Decoracion Digital Marketing Services Pvt Ltd, webinar on Launching and Managing a Successful Startup by Mr. Rohit Sharma (Co-founder of PANKH) and webinar on the theme Profile Building Hacks and Tools to stand out through your applications hosted by Ms. Chavi Agarwal (CEO of The Cview.). The success achieved so far has further motivated the E-cell to achieve their vision with conviction.

Student Services

Placement Cell (For Undergraduates)

Dr. Aparna Khanna - **Convenor**
Dr. Aparna Aggarwal
Dr. Meenal Jain

Each year, the Placement Cell invites and hosts companies on campus to hold recruitments for students. The Placement Cell acts as an interface between the students of the college and various companies that come for recruitment. Placement cell organizes various events for the students for their professional development. This includes career counseling sessions by experts from academia and industry. Resume and email writing sessions have also been organized for the final year students.

The Equal Opportunity Cell (EOC)

Dr. Neelima Asthana- **Convenor**
Mr. Sultan Singh – **Co-convenor**
Dr. Deepika Ahlawat-**Member**

Equal Opportunity Cell of the college works towards making an inclusive and barrier free environment in the college. The committee constantly put efforts addressing the issues and matters related to the students with special needs.

Different places were identified for ramps to make the campus barrier free for all. The notices from EOC cell of Delhi University were given due consideration at different intervals. Various meetings of EOC members along with students and parents were held to collect individual requirements of students for extra timings, scribes or any other problem they face. Students were informed about various govt. agencies to get scholarships during the course. In the last academic session, during COVID-19 the students were given due support by the cell in theory as well as practical classes held online. Frequently their issues were taken and conveyed to the respective teachers to deal accordingly. The EOC committee itself have provided mentoring and other support to the students during this difficult time.

Women Development Cell (WDC)

Members:
Dr. Shraddha Kapur - **Convenor**
Dr. Mani Bhasin Kalra
Dr. T G Rupa
Dr. Ruchi Gaur

The Women's Development Cell (WDC) at Lady Irwin College was established in 1987 as part of Women Studies and Development Centre (WSDC) University of Delhi. The centre is very active in the college and works towards the empowerment and gender

sensitization of our women students. The activities of the center include engaging students in current issues relating to women in the present social context, dissemination of information on rights, policies and programmes for women and counseling support. Women Development Cell organizes various workshops from time to time covering the areas such as self-defense, gender issues, interactive sessions on self-expression and consent and other challenges which women are facing in present times. The post graduate and under graduate students of the college actively participate in these workshops and get thoroughly involved in it. These workshops empower the students to deal with related issues and can further support other girls and women in their lives.

The Medical/First Aid Services

Members:
Dr. Sabina Sethi - **Convenor**
Dr. Pooja Raizada
Ms. Vibha Yadav

There is a Medical Help Desk in the college comprising of college faculty and students as members. The college has a Medical Room with a medical attendant. It caters to the first-aid needs of the students. It is open from 8:40 am to 4:30 pm on all working days. In case of any emergency, the Guardian/Parents

are informed and with their consent and permission, students are taken to Government hospital as per protocol.

The Public Relations Committee

Members:
Ms. Sweta Suman - **Convenor**
Dr. Ruchi Gaur
Dr. Aparna Agarwal
Dr. Sunaina Batra
Ms. Vishakha

The public relations committee reaches out to the school and sends out information to schools as well as to the media. The members of the committee and student volunteers are present in the Delhi University to assist in the process of admission.

The committee has also created digital content which elaborates on the scope of home science as a subject as well as eligibility criteria. This information is displayed at the time of admissions. The committee is also involved in the dissemination of information and group discussions at various forums with prospective students and their parents as well as with professionals about enquires related to the subject content of Home Science, its scope and activities of the college.

College Website

Dr. Aparna Khanna – **Convenor**
Dr. Vinita Bhargava
Dr. Renu Malaviya
Dr. Pulkit Mathur
Dr. T.G. Rupa
Ms. Madhuri Nigam
Ms. Shweta Suman

The website of the college is available under the domain of: www.ladyirwin.edu.in. The website provides information for dissemination of researches, departmental information, faculty profiles and other exhaustive information about the college.

Further detailed information is available about the objectives, course outline and tentative calendar for the year of the graduate and post graduate courses. The data base of researches conducted over the past ten years is also available for reference.

Information about Library, Computer Resource Centre, Hostel, Rajkumari Amrit Kaur Child Study Center and Canteen can also be found on the website. It also provides information regarding Admission Procedures, Notices, Ordinances, College Performa, Teaching & Non-teaching Rosters, Time Table, Annual Events and Forthcoming Events of the college as a whole and of each department as well. The student zone highlights the admission criteria to undergraduate, postgraduate and Ph.D. programmes. It also provides information on the various students' societies – their achievements, activities conducted and ofcourse the forthcoming events from time to time. Website also plays a role in facilitating fee payment for the UG/PG students. The website is continuously being updated with latest information about the college.

Alumnae Association

Office Bearers LICAA:

President: Dr. Sushma Sharma **Secretary:** Dr. Dimple Rangila **Treasurer:** Dr. Veena Gupta

The Lady Irwin College Alumni Association (LICAA) is an integral continuation of the relationship of the students with their alma mater. LICAA is an active body with many alumnae as its members. Every year LICAA confers upon one of its illustrious alumna, the Distinguished Alumna Award. The Distinguished Alumna for the year 2019 was awarded to Mrs. Mrs Nita Mehta for her distinguished work. She entered the hearts and homes of millions of people across the globe through her cookbooks. She has been a TEDX speaker, celebrity judge on Master Chef, got featured in the book 'Millionaire Housewives' for her inspirational journey and was also included in the book '50 most Influential Indian Women Worldwide.'

Among the activities for the year 2019, an annual event is the welcome party organized by LICAA for induction of the outgoing batch into the association. LICAA also honoured senior retired faculty members for their lifetime contribution towards advancement of the field of Home Science during this event. The association participated in the college festival in the year 2019 and invited alumnae to showcase their expertise and products. On joining the college, a student becomes a member of the Lady Irwin College Family. In order to achieve this, the student pays life membership charges. Reach LICAA at: licaasecretary@gmail.com. <https://www.facebook.com/groups/141335538610/>
