

Placement & Internship

Placement

At the end of each session a placement meet is organized in the department where graduating teacher interns of B.Ed. and B.Ed. Special Education are interviewed and interact with their future employers. Nearly 25-30 schools come to select teachers for their institutions. An encouraging trend of even having 2 to 3 jobs to choose from has been observed.

Internship

- Students of B.Ed. as a part of their School Experience Programme (SEP) were placed in sixteen Government, Government Aided and Private Schools for a total of 20 weeks, i.e., two weeks in the first year and for 18 weeks in the second year as an essential part of their curriculum.
- B.Ed special education students also as a part of their School Experience Programme (SEP) were placed in 12 Special and Inclusive Schools for a total of 120 days as an essential part of their curriculum.

Summer Internship

The department has valuable linkages with various government, developmental organizations including non-Government organizations (NGOs) and bilateral organizations, media houses and even corporate organizations. With an endeavor to provide hands-on learning and refining their professional skill set, the department facilitates internships for both undergraduate and postgraduate students. Every year Summer Internship is organized for B.Ed. First year students in national and international NGO's as a part of the community outreach programme. The students have been involved with various NGO's viz. working in the area of health, education, social issues, education varying from Early Childhood Education, Adolescence Education, Education of Women and Children living in slums, education of children of

craftsmen and several other areas during the month of May -June-July in different development, media and corporate organizations.
