Report

A plantation drive was organized on November 16, 2022 at 12:40 pm to commemorate 90 years of foundation of Lady Irwin College and 100 years of University of Delhi. As part of the celebrations, Lady Irwin College family pledged to plant 90 trees over the year. The drive was inaugurated by Prof. (Dr.) Anupa Siddhu, Director Lady Irwin College who planted the first sapling. Prof. Siddhu addressed the gathering and shared glimpses of the rich legacy of Lady Irwin College. A few other saplings were planted by senior faculty of the college, Prof. (Dr.) Sushma Goel, Vice Principal, Lady Irwin college; Prof. (Dr.) Meenakshi Mital, Head Department of Resource Management and Design Application & Convenor of the event; Prof.

(Dr.) Rupa Upadhyaya, Convenor, Garden Committee, Lady Irwin College; and Prof. (Dr.) Archana Kumar, Head Department of Development Communication and Extension. As the weather was conducive for herbal plantation, the saplings which were planted included cardamom, Ajwain and Champa. Over the year, as per the seasonal conditions, 85 more trees will be planted including fruit trees like chicoo, lichi, mango, and traditional trees like, neem, kadamb, Banyan etc. The event was attended and applauded by teaching and non-teaching staff, and students of Lady Irwin College. The event concluded with a group picture.
