

The Department of Fabric and Apparel Science organized a Conference on Evolving Sustainability and Circularity in Textiles & Apparels industry'(18th Sanjam Randhawa Memorial Conference) on March 16, 2023 at FICCI Federation House, New Delhi.

The day began with a resounding inaugural session with our Chief Guest Hon'ble Minister Smt. Darshana Jardosh ji, who gave an emphatic start to an eventful day. Smt Darshana Jardosh, Union Minister of State, Ministry of Textiles, GoI said that the country's textile & apparel exports reached an all-time high of \$44.4 billion. "We need to work on the '5F' formula - from farm to fiber, fiber to factory, factory to fashion, and from fashion to foreign", she added.

The esteemed speakers shared their deep insights about how the industry and academia can play a key role in accelerating the transitioning towards a sustainable and circular future for the textiles and apparels sector.

Few glimpses of the Conference:
