

**Dr. Aarti Yadav**

Qualification: MSc. Microbiology, B.Sc. Microbiology, PhD. Microbiology, Department of Microbiology, University of Delhi

Nature of Appointment: Permanent

Area of Interest: Molecular Biology, Food safety, Food Microbiology, Host pathogen interactions, Gut microbiota.

Dr. Aarti Yadav is a microbiologist with a passion for research and education with three years of experience as an Assistant Professor. Her Ph.D. research work was on Functional characterization of *Leishmania donovani* CDC45: Role of PIP box.

In her role as an Assistant Professor, she has been dedicated to fostering a passion for microbiology in her students. She has taught courses that not only impart essential theoretical knowledge but also emphasize hands-on laboratory skills. Beyond the classroom, she is known for her ability to bridge the gap between academia and real-world applications, fostering a practical understanding of microbiology.
