

On August 8, 2024, at 12:40 p.m., Lady Irwin College organized #Plant4Mother and #EkPedMaKeNaam campaigns, championed by the Honorable Prime Minister Shri Narendra Modi. This initiative underscores the collective effort to nurture and preserve our environment, paralleling the nurturing role of a mother.

The event, which saw active involvement from students, faculty members, and non-teaching staff, featured saplings sourced from the Delhi Government Nursery. Participants were also engaged in discussions about the importance of green spaces and plant diversity, as well as the cultural and economic significance of the various species.

The tree species planted included *Cassia fistula*, *Plumeria obtusa*, *Lagerstroemia indica*, *Tecoma spp.*, and *Psidium guava*.
