Corporate Identification Number (CIN): U74140DL2010PTC203497

To whom it may concern

This is to certify that Jaagruti Waste Paper Recycling Services collaborated with Lady Irwin College in the year 2015 towards waste paper recycling. The project has been successfully coordinated during the past five years by Dr. Meenakshi Mital (Associate Professor), Dr. Puja Gupta (Associate Professor) and Dr. Meenal Jain (Assistant Professor), Department of Resource Management and Design Application, Lady Irwin College. Waste paper is periodically collected from the college premises and recycled into paper rims for printing, note pads, spiral books etc. and given back to the college at zero cost to the college. We appreciate their continued efforts towards making this project successful and hope to continue this project in future.

FOR JAAGRUTI WASTE PAPER RECYCLING SERVICES

4th December 2020

PROJECT - S.O.R.T.

INDIAN POLLUTION CONTROL ASSOCIATION & LADY IRWIN COLLEGE 2019 -2020 ONWARDS

Indian Pollution Control Association (IPCA), an NGO, is engaged in creating environmental awareness and implementing Integrated Solid Waste Management System across India since 2001. The NGO is actively working in the realm of environment for last nineteen years and has successfully developed cost effective and environmentally sound techniques and strategies for Solid Waste Management (SWM). IPCA strives to encourage wise recycling of the municipal solid waste for the benefit of nation's economy and environment sustainability. With this perspective, IPCA in association with Swarn Lata Motherson Trust has launched a Project "**Segregation of Organic Waste for Recycling and Treatment**"(SORT) in Delhi NCR.

IPCA is happy to collaborate with Lady Irwin College and would like to congratulate Waste Management Committee (WMC) of Lady Irwin College, University of Delhi, for the contribution made in sustaining S.O.R.T. project at your campus. We are pleased to inform that your contribution has prevented 497.5 kgs(from February 2020 – Aug 2020) of organic waste from reaching to the Dhalaos/ Landfills, which otherwise would have contributed in many environment and health hazards. In an effort to sustain the success of the project, IPCA would like to handover the project to the following WMC of your college.

WASTE MANAGEMENT COMMITTEE

Waste Management Committee for the operation and maintenance of the composters is given below (updated list).

FACULTY

Sr.No	Name	Designation	Email Id	Phone Number
1	Dr. Puja Gupta Project Co-ordinator	Associate professor	drpujagupta@rediffmail.com	9711881316
