President- Ms. Yukti Sharma
Secretary- Ms. Pragya Singh

"A good debate is not a war. It is an opportunity to express different perspectives and learn from one another."

Continuing the legacy of inculcating extemporaneous skills and exuberant confidence in public speaking, VANI- the Debating Society, the voice of Lady Irwin College itself, is an epitome of learnings and hands on experience for debating.

With the motto, "Empowering voices, Shaping perspectives" our society revolves around new ideas which entangle interactions, evolving speaking skills with debates and discussions.

We conduct various events such as Orientation Fresher's Talent Contest, Intra college debate competitions, Group Discussions, Agree to Disagree- An OTT inspired debate competition and Soliloquy- the annual event under Quintessence which includes Aqeeda- The Open Mic competition and Hannah Sen Memorial Debate.

Vani is a platform to express diverse perspectives and enhance your public speaking, critical thinking, argumentative skills and boost up your confidence.
